All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, commencing from the 25th June, 1814, with respect to Officers reduced at that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

CIRCULAR TO AGENTS.

SIR,

HORSE GUARDS, 12th April, 1817.

I HAVE received the Commander in Chief's commands to desire that you will apprise the Officers in your Agency, who are upon the Half-pay Establishment, that it will be essential for those who are desirous of paying the regulated difference for Exchange to Full pay, to send in their Names to this Office, stating where their money will be forthcoming when called for, in order that His Royal Highness may take their Claims into consideration, as opportunities offer.

The Regulated Difference will remain at the Rates already established by the Board of General Officers assembled by His Majesty, for that purpose, in the year 1763, and confirmed by the Regulations of the 14th August, 1793; since that period, however, the value of Cornetries has been reduced from £1,104 10s. to £735, which leads to a corresponding Reduction of the Difference in all the Cavalry Commissions, upon the principle established by that Board. The difference in Value between Full and Half-pay, will therefore be—

	Cavalry.				Infantry.		
	£.	s.	d.		£.	s.	d.
Lieut. Colonel	3,157	10	0		1,949	15	0
Major	2,124	10	0		1,231	3	0
Captain	1,678	15	0		675	15	0
Lieutenant	450	0	0		166	15	0
Second Lieutenant	—	—	—		149	17	6
Cornet & Esquien	278	15	0		98	17	6

In making this Communication, His Royal Highness deems it fit to remind those Officers in your Agency, who may be inclined to retire upon Half-pay, taking the Difference, that by the long Established Regulations of the Service, they will forfeit all Claim to further Rank or Employment, unless they repay the Difference upon being allowed to come in again upon the same Rank in which they retired.

I have, &c.

(Signed)

H. TORRENS.

WAR OFFICE, 30th April, 1817.

COPY.

WAR-OFFICE, 8th April, 1817.

SIR,

IT being found that in many cases the Sums remitted to Regimental Agents, on account of the Effects and Credits of deceased Men, differ from those reported in the first instance in the Casualty Returns transmitted to this Office; I am to signify to you, the Pleasure of His Royal Highness the Prince Regent, acting in the name and on the behalf of His Majesty, that whenever any such difference in future arises in the Regiment under your Command, you will take care that the same be immediately reported to this Office; and I think it proper to intimate, that if in consequence of any omission in this respect, a larger Sum shall be paid to the Relatives of a deceased Soldier than is actually due, the Officer through whose neglect such over payment shall have taken place, will be held responsible for the Amount.

I have, &c.

(Signed)

PALMERSTON.

Officer Commanding Battalions.

M. 200.

WAR-OFFICE, 29th March, 1817.

HIS Royal Highness the Prince Regent has been pleased, in the Name and on the behalf of His Majesty, to direct that the 12th, or Prince of Wales's Light Dragoons or Lancers, shall be in future styled "*The 12th, or Prince of Wales's Royal Regiment of Lancers*:" that the colour of the facing of the Regiment, which is at present yellow, shall be changed to scarlet, and that the lace, which is at present silver, shall be changed to gold. The alteration in the clothing to take place from the 25th of December next.

His Royal Highness has also been pleased, in the Name and on the behalf of His Majesty, to approve of permission being granted to the 35th Regiment to bear on its Colours and Appointments, in addition to any other badges or devices which may have been heretofore granted to the Regiment, the words "*Monte Video*," "*Salamanca*," and "*St. Sebastian*," in commemoration of the very distinguished gallantry displayed by that Regiment, in the capture of Monte Video, on the 3d February, 1807; in the battle of Salamanca, on the 21st and 22d July, 1812; and in the storming and capture of St. Sebastian, on the 31st August, 1813.

His Royal Highness has also been pleased to approve of the 2d Battalion of the 24th Regiment being permitted to bear on its Colours and Appointments the word "*Nive*," in commemoration of the distinguished services of that Battalion in the battle of the Nive, on the 9th, 10th, and 11th December, 1813.

His Royal Highness has also been pleased to approve of the 90th Regiment of Light Infantry, or Perthshire Volunteers, being permitted to bear on its Colours and Appointments the words "*Mandora*," "*Martinique*," and "*Guadaloupe*," in commemoration of the services of the Regiment when leading the right column of the Army in its advance for Mandora, on the 15th March, 1801; in the capture of Martinique, on the 8th February, 1809; and of Guadaloupe, on the 3d February, 1810.

His Royal Highness has also been pleased to grant permission to the 2d Battalion of the 34th Regiment, to bear on its Colours and Appointments, in addition to any other badges or devices which may have been heretofore granted to the Regiment, the word "*Albukera*," in commemoration of the services of the Battalion in the battle of Albukera, on the 16th of May, 1811.

His Royal Highness has also been pleased to grant permission to the 45th Regiment to bear on its Colours and Appointments, in addition to any other badges or devices which may have been heretofore granted to the Regiment, the words "*Talavera*," and "*Busaco*," in commemoration of the services of the Regiment in the battle of Talavera, in Spain, on the 27th and 28th July, 1809; and in the action at Busaco, in Portugal, on the 27th September, 1810.

GENERAL ORDER.—No. 327.

HORSE GUARDS, 22d January, 1817.

IT having been found, that the Provisions of the Act of Parliament for allowing Soldiers to send, and receive, Letters at a low rate of Postage, are not perfectly understood, His Royal Highness the Commander-in-Chief has been pleased to direct that the following Instructions, which are founded upon the Act of Parliament,* shall be communicated to the Army:—

Letters from Soldiers.—Upon all single Letters sent from Soldiers, the Name of the Soldier, his Rank, (that is, whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private,) and the Regiment, Corps, or Detachment, to which he belongs, are to be superscribed.

All such single Letters are to be endorsed by the Officer in the actual command of the Regiment, Corps, or Detachment; his Name, Rank, and the Regiment, Corps, or Detachment, commanded by him; are to be written in his own hand writing.

It is to be understood, that this indulgence is limited to single Letters.

One Penny must be paid at the time the Letter is put into a Post-Office, or such Letter will be liable to the full Rate of Postage.

The Act of Parliament above alluded to, directs, "That if any Officer having the Command of a Regiment, Corps, or Detachment, shall, *wisely*, write his name upon any Letter, that is not from such Soldier, and upon his private concerns only, such Commanding Officer shall forfeit and pay the Sum of Five Pounds."

"That a similar Penalty shall attach to any Person, who shall (with an intent to evade the full rate of Postage) obtain the Signature of the Officer Commanding to Letters not on the private concerns of Soldiers."

"Further, That if any Officer not having at the time the command of the Regiment, Corps, or Detachment, shall write his name upon a Soldier's Letter, he shall forfeit and pay the Sum of Five Pounds."

Letters to Soldiers.—In all cases of single Letters addressed to Soldiers, the Rank, (that is, whether Serjeant, Corporal, Trumpeter, Drummer, Fifer, or Private,) and the Regiment, Corps, or Detachment, to which they belong, must be specified.

One Penny is to be paid by the writer, or other Person, on putting the Letter into a Post-Office:—The Letter will otherwise be liable to the full Rate of Postage.

The Letter cannot be delivered to any Person except the Soldier to whom such Letter is addressed, or to some Person appointed to receive the same, by an authority in writing under the hand of the Officer having the command of the Regiment, Corps, or Detachment, to which such Soldier belongs.

The Act of Parliament further directs, "That if any person shall address Letters to Soldiers, which are intended for other Persons, such Person shall forfeit and pay the Sum of Five Pounds."

The Commander in Chief is desirous that Soldiers shall have the full benefit intended by the Legislature, but in order to guard against any abuse of this Privilege, His Royal Highness feels it necessary to repeat what was declared in the General Orders of the 28th February, 1814, and 14th June, 1814: viz.

"That the indulgence of the conveyance of Letters to Non-commissioned Officers, and Soldiers, free of expense, is applicable *exclusively* to Letters designed for the Persons to whom they are addressed, and that no explanation which may be offered for an abuse of this Privilege, which is attached exclusively to the said Non-commissioned Officers and Soldiers, will be deemed satisfactory, or will, in the smallest degree, exculpate any Officer, who may directly or indirectly, aid, or connive at, such deviation from the true intention and spirit in which this Boon to Soldiers has been granted."

And

"That any Non-commissioned Officer or Soldier, who shall present to his Officer a Letter to be rendered Free of Postage, which is not bona fide his own, will be guilty of a Fraud, and a breach of discipline, for which it is His Royal Highness's express Command, that every Offender shall be tried, and no alleviation of whatever Punishment may be awarded, must be expected."

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT,

Adjutant General.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, Whitehall.

CIRCULAR TO AGENTS.

HORSE GUARDS, 12th April, 1817.

SIR,

I HAVE received the Commander in Chief's commands to desire that you will apprise the Officers in your Agency, who are upon the Half-pay Establishment, that it will be essential for those who are desirous of paying the regulated difference for Exchange to Full pay, to send in their Names to this Office, stating where their money will be forthcoming when called for, in order that His Royal Highness may take their Claims into consideration, as opportunities offer.

The Regulated Difference will remain at the Rates already established by the Board of General Officers assembled by His Majesty, for that purpose, in the year 1765, and confirmed by the Regulations of the 14th August, 1785; since that period, however, the value of Cornetries has been reduced from £1,102 10s. to £735, which leads to a corresponding Reduction of the Difference in all the Cavalry Commissions, upon the principle established by that Board. The difference in Value between Full and Half-pay, will therefore be—

	Cavalry.				Infantry.		
	l.	s.	d.		l.	s.	d.
Lieut. Colonel	3,137	10	0		1,048	15	0
Major	2,482	10	0		1,231	5	0
Captain	1,678	15	0		678	15	0
Lieutenant	450	0	0		166	15	0
Second Lieutenant	—	—	—		148	17	6
Cornet & Ensign	278	15	0		98	17	6

In making this Communication, His Royal Highness deems it fit to remind those Officers in your Agency, who may be inclined to retire upon Half-pay, taking the Difference, that by the long Established Regulations of the Service, they will forfeit all Claim to further Rank or Employment, unless they repay the Difference upon being allowed to come in again upon the same Rank in which they retired.

I have, &c.

(Signed)

H. TORRENS.

GENERAL ORDER. No. 335.

HORSE GUARDS, 8th May, 1817.

CIRCUMSTANCES having rendered it necessary to revise the General Order of the 1st July, 1813, (as contained in page 583 of the General Regulations of the Army,) the Commander in Chief is pleased to order as follows, viz.

That when a Regiment embarks, which is allowed a Recruiting Company upon its Establishment, a proportion of Officers and Non-commissioned Officers equal to the Establishment of that Company, shall be left at home, for the purpose of carrying on the Recruiting Service, and forming the Depot of the Regiment; and, that two well trained Drummers shall also be left at the Depot.

Should the Regiment be destined for a Station, which does not allow of a Recruiting Company on its Establishment, the Officer commanding will in that case select a Captain, or an experienced Lieutenant, for the above duties, with the proportion of Non-commissioned Officers and Drummers specified in the Margin.*

In the event of a Regiment being sent Abroad, under such circumstances as may render it necessary to have a greater proportion of Officers and Non-commissioned Officers at Home for the Recruiting Service, or other duties of the Regiment, a special arrangement will be made, and orders will be given respecting the numbers of each Rank which will be required to remain.

As the efficiency of the Regiment, and the success of its Recruiting, must in a great measure depend on the exertions of the individuals employed, the Commander in Chief enjoins the utmost attention in Commanding Officers in the selection of Officers and Non-commissioned Officers whom they employ in the superintendence of their Regimental Depots and on the Recruiting Service, and they will be held personally responsible that none are employed on these important Services that are not in every respect well calculated to perform the duties required of them in the most satisfactory manner.

By Command of His Royal Highness

The Commander in Chief.

HARRY CALVERT,

Adjutant General.

* 4 Serjeants, 4 Corporals, 2 Drummers.

GENERAL ORDER. No. 334.

HORSE GUARDS, 10th May, 1817.

THE Prince Regent has been pleased to signify his pleasure to the Commander in Chief, that the Regimental Officers, whose Duties do not require their falling into the Ranks,—viz.

shall, in future, wear the following Uniform, viz.

Coat.—Long, plain, single breasted, without epaulettes or wings, with buttons, cuffs, and collar, (embroidered, laced, or plain,) the same as the Uniform of their respective Regiments.

Cocked Hat.—The Paymaster and Quarter-Master to wear the regimental looping, &c. the former not to wear a feather. The Hat of the Surgeon, Assistant Surgeon, and Veterinary Surgeon is to be plain, with a black silk button and loop. No feather.

The Sword-belt to be worn under the Coat.
No Sash.

By Command of His Royal Highness,

HARRY CALVERT,
Adjutant General.

RECRUITING DEPARTMENT.
No. 333.

CIRCULAR.

HORSE GUARDS, 20th May, 1817.

Memorandum for the Information and Guidance of Officers Commanding Regiments and Depots.

THE Commander in Chief has directed it to be notified, that as the Effectives of Regiments whose Recruiting has been discontinued fall below their Establishment, they are immediately to recommence Recruiting at Head Quarters under the existing Regulations, reporting the same to this Department; and in the event of any considerable number of Men being deficient, they will propose an arrangement for detaching one or two Parties to such Stations as may be considered as most eligible.

As soon as the number of Men required to complete the Regiment to its Establishment shall have been obtained, the Recruiting at Head Quarters is forthwith to cease, and a Report be made to this Department, in order that the Parties (if any shall have been detached) may be immediately recalled.

In the case of Corps not yet complete, and whose Recruiting has consequently not been discontinued, His Royal Highness desires that whenever the effective rank and file shall have arrived at the number fixed as the Establishment of the Regiment, the further Enlistment of Men at Head Quarters shall be suspended; and application must be made to this Department, that the Parties employed on the Recruiting Service may be ordered to join the Regiment or Depot respectively.

It is however to be understood by Infantry Corps on the Establishment of 600 Rank and File, that they are not to discontinue Recruiting upon completing that number, but are to apply through the regular channel for an augmentation of the Establishment to 800 Rank and File.

Sea Port and Garrison Towns not being deemed eligible Recruiting Stations for the Army, it is recommended to Officers in command of Regiments and Depots quartered in those places, whenever it may be necessary to recommence Recruiting, to apply for permission to detach one or two Parties to the most desirable Stations, in preference to carrying on this Service exclusively at their Head Quarters.

By Command of His Royal Highness
The Commander in Chief.
HARRY CALVERT,
Adjutant General.

WAR-OFFICE, 29th April, 1817.

SIR,

IT having been found, that, in many cases Recruits for the Regular Army, who have been passed by Military Medical Officers, have, when brought for final Inspection to the Head-Quarters of the Recruiting District in which they were enlisted, been rejected by the District Surgeons, as unfit for His Majesty's Service on account of disabilities, the existence of which it was the duty of the Medical Officer, who first examined the Recruit, to have ascertained; I am to apprise you, that His Royal Highness the Prince Regent has been pleased, in the Name and on the Behalf of His Majesty, to direct, that in all such cases, the Expenses, which may have been incurred on account of the Recruits, shall be charged against the Medical Officer by whom they were passed in the first instance; and you will make the necessary communication to the Surgeon and Assistant Surgeon of the Regiment under your Command, accordingly.

I have, &c.

Officer commanding

Regiment.

His Royal Highness has farther been pleased to direct, that these allowances shall be issued

WAR-OFFICE,

Department of Accounts, 3d May, 1817.

SIR,

WITH reference to the Adjutant General's Letter of the 10th January last, relative to the Discharge of Soldiers at their own request, on paying the Sum of Twenty Pounds, I am directed to inform you, that the Amount is to be deducted in the Account in which the Pay of the Man is last charged, unsexing the Commander in Chief's sanction for the Man's Discharge.

The usual Allowance granted to carry Men and their Families home on being discharged, is not of course admissible, in the cases above referred to.

I am, &c.

In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmities contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office, White

WAR-OFFICE, 11th June, 1817.

SIR,

I HAVE the honor to acquaint you that the Office of the Agent-General for Militia and Local Militia, Volunteers, &c. will cease on the 24th instant, and the Issues for the various Services at present paid through that Department, will, from and after the above-mentioned date, be made by the Paymaster General of His Majesty's Forces, under my Authorities. I therefore enclose a Memorandum for your future guidance, to which I beg to call your most particular attention; you will perceive that the Instructions therein contained are very nearly similar to those under which you have hitherto transacted business with the Agent-General; and by a strict observance of the rules, directing the transmission of certain Documents to this Office, the same regularity may be ensured which has hitherto prevailed.

I have, &c.

(Signed)

PALMERSTON.

Addressed to Commandants of the
Corps of Yeomanry Cavalry and Militia.

(Enclosure to Circular No. 360.)

MEMORANDUM.

WAR-OFFICE,

Department of Accounts, 11th June, 1817.

Points to be observed in Drawing and Negotiating Bills upon the Paymaster General, and in remitting Sums to his Account at the Bank of England.

DRAWING BILLS.

FROM and after the 24th instant, the Issues required for the service of the Militia when disembodied, and of the Volunteers, will be made through the Paymaster General, under the authority of the Secretary at War, by the Paymaster General's accepting the Bills of the Parties authorized to draw upon him, which Bills are made payable at the Bank of England.

The Paymaster General is vested with no discretion as to the amount of the issues; the Sums required must therefore always be inserted in the proper forms of Account, or Estimate, as the case may be, and sent in for the examination and approval of the Secretary at War.

When the Estimate or Account is approved, a Bill for the Sum which the Paymaster General may be authorized to issue, will be transmitted from the Department of Accounts to the proper Officer for negotiation.

No Officer is allowed to draw any Bill upon the Paymaster General, but upon the very Form which he shall have received from the Department of Accounts, with the exact sum to be drawn by him already inserted therein.

No Bill must under any circumstances be signed by any other person than the Officer to whom the Superintendent has expressly communicated authority to draw.

The printed Letter of Advice annexed to the Authority must be carefully filled up, signed by the Drawer of the Bill, and transmitted to the Department of Accounts, by the post of the day on which it is negotiated.

The Letter of Advice must exactly agree with the Bill, in the particulars of its Date, the Amount, and the Names of the Parties to whom it is made payable.

In filling up the Bill the Name of the Party or Firm, to whom it is payable, must be accurately spelt; the Amount in the body of the Bill must be distinctly stated in words at length, and must exactly agree with the Amount stated in Figures in the Margin; these points deserve particular attention, as inaccuracies, especially where the Name or Firm in the body of the Bill differs from the Indorsement, would prevent the payment by the Bank of England, although the Bill had been duly accepted by the Paymaster General.

When Bills are returned by the Bank of England unpaid, on account of irregularity, after having received the Paymaster General's acceptance, they must on no account be destroyed, but the irregularity must be corrected, and the Bill again presented for payment, as the Paymaster General having once given his acceptance on behalf of the Public cannot give it a second time for the same sum.

In the event of a Bill being accidentally defaced prior to acceptance, no other can be substituted by the Accountant, but application must be made to the Department of Accounts for a new Form, and the Bill so defaced must be returned to that Department.

As by a proper attention to the Regulations, and the foregoing Memoranda, no Officer need ever be exposed to the inconvenience of having his Bills returned, any expense which may arise in cases where it does occur must be borne by the drawers.

REMITTING BALANCES.

As soon as the Annual or periodical Accounts are made out, if the sums issued upon Estimate are found to exceed the actual expenditure, the balance due to the public must be remitted forthwith to the Bank of England, to be placed to the General Account of the Paymaster General.

It is essentially necessary that the Paymaster General should be advised of every remittance. The advice must be transmitted by the post of the day on which the remittance is made, and must state whether it is made in Cash, Bank Notes, or Bills; and if by the latter, by and on whom they are drawn, and when they are payable; the particular Account to which it is to be placed must also be distinctly stated.

Where a sum is remitted applicable to different years, it is necessary to specify the exact

sum to be carried to the account of each year respectively, and the same rule must be observed when balances due from different persons are remitted in one sum.

All remittances by Bills must be made payable at three days sight.

Particular attention is recommended to the above points, in order to obviate the inconvenience which may arise to Accomptants from their remittances not being regularly placed to their credit.

N. B. As no Accomptant can obtain his final acquittance upon the Account of any Year, until the same has been closed and reported, the obvious interests of the Parties will, it is hoped, ensure immediate attention to the above points.

All Correspondence respecting the Accounts should be addressed to *L. Sullivan, Esq.* in the manner prescribed for Correspondence with the Department of Accounts, and the Letters are to be sent under Cover to the Secretary at War, addressed thus:

RECRUITING DEPARTMENT.

No. 336.

CIRCULAR.

HORSE GUARDS, 16th June, 1817.

Memorandum for the Information of the Inspecting Field Officers of Recruiting Districts, and others employed on the Recruiting Service.

SERGEANT WILSON, of the 3d Dragoon Guards, having been tried by a Detachment Court-Martial, for improperly enlisting a Boy who was totally ineligible for the Service, with a view of extorting *Smart Money*, which he received, and having been convicted of the same, was sentenced to be reduced from the Rank and Pay of Serjeant, and to serve as Private; to undergo a Stoppage, not exceeding the half of his Pay, until the Sum, which he improperly received should be made good, and to receive Two Hundred Lashes.

The Commander in Chief has been pleased to approve of the Sentence of the Court-Martial, and in order that the Non-commissioned Officers and Private Men employed on the Recruiting Service may not plead ignorance of the Regulations on this head, and that they may clearly understand that any breach of duty in this respect will meet with the severest punishment, His Royal Highness has thought fit to direct, that the foregoing shall be circulated, for the information of the Recruiting Parties in the several Districts, and shall be read at two successive Parades by the Superintending Officer of each Subdivision, to the whole of the Parties to be assembled for that purpose.

By order of His Royal Highness

The Commander in Chief.

HARRY CALVERT,
Adjutant General.

LONDON, SUFFOLK-STREET, 21st June, 1817.

SIR,

WITH reference to my Letter of date the 15th ultimo, I have now the honour to refer you to the intimation given in the Gazette of this day, (and of which a copy is annexed) respecting the Payment of the Prize-Money granted to the Troops which served under the Command of Field Marshal His Grace The Duke of Wellington, in the Battle of Waterloo, and at the Capture of Paris; and to inform you, that if you will cause the Orders prescribed by Act of Parliament, (of which Orders Copies were sent to you in my aforesaid Letter, and of which Copies are also now annexed) to be executed by the Non-Commissioned Officers and Privates of the Regiment under your Command, in favour of the Regimental Paymaster, and to be transmitted to me, regularly indorsed by him, accompanied with a List or Schedule of them made out and numbered in the same Order that the Men's Names stand in the Prize List rendered to me, I will put them in the possession of the full amount of their respective Shares, without any expense of Agency or Postage, &c. by remitting the amount to the Paymaster, or authorizing him to draw for it, as may at the time appear best.

I have, &c.

Officer commanding the

ARMY PRIZE MONEY.

GRANT to the Army which served under the Command of Field Marshal His Grace The Duke of Wellington, in the Battle of Waterloo, and at the Capture of Paris.

NOTICE IS HEREBY GIVEN, pursuant to the Act of the 54th Geo. III. Cap. 86, that the Distribution of the proportion of the Grant made to the aforesaid Army, which appertains to the British Troops, will commence and take place according to the Directions and Regulations contained in the said Grant, at No. 18, Suffolk Street, Charing Cross, and Whitehall Place, as follows:—

The General Staff and different Departments of the Army, together with the Royal Artillery and Engineers, between the 25th June and 24th July, 1817.

The Corps of Cavalry of every Description, and those of Infantry, from the 1st Regiment of Foot Guards, to the 14th Regiment of Foot, between 25th July and the 24th August, 1817.

The remaining Corps of Infantry, to the 8th Line Battalion King's German Legion, between the 25th August and 24th September, 1817.

After which date no further Payment can be made by me, as all Shares and Balances then remaining Unclaimed, must be paid over to Chelsea Hospital, pursuant to Act of Parliament; but they can afterwards be received from the Deputy Treasurer of that Establishment, if claimed within the period of Six Years.

In order to save the Army the expense of Powers of Attorney and Agency, it is thought right to apprise such of the parties concerned, as may not be acquainted therewith, that every Officer, Non-Commissioned Officer, and Soldier of the British Army, entitled to participate in this Prize Money, may, if in London, receive the Amount due to them, in Person, from the Distributing Agent, on satisfying him that they are the Persons entitled to it; or, if at a distance, by drawing on him for the Amount, through any Banker, or other respectable Person, according to the following Forms and Instructions, which must be rigidly attended to.

A Communication will this day be made to the Officers Commanding each Corps entitled to participate, instructing him how to obtain the Prize Money due to the Non-Commissioned Officers and Privates under his Command, without incurring the expense of Agency; and, for the information and guidance of such Men as have been discharged, and to prevent their being misled by the Public Notices which have been circulated—"That no Person but a Licensed Agent can draw their Prize-Money."

Notice is hereby given, That no Person is as yet Licensed to receive Army Prize-Money; and that the Security given by Navy Agents, for their License, cannot be made available, for any Army Prize-Money received by them.

Note. All Officers are allowed, by act of parliament, to continue in the receipt of their half-pay and to hold the Commission of Captain or Subaltern in the Militia, or of any Rank in the Local Militia, or Volunteers, and to receive such half-pay in addition to the full-pay of such commission during war. In time of peace, when the Militia is not embodied, but only trained for 28 days in the year, there is no restriction;—but an Officer on half-pay may receive full-pay of any rank in the Militia for those 28 days, without its preventing him receiving his half-pay. Officers may likewise receive their half-pay in addition to Staff or Garrison Appointment, by special permission.

The New Rates of Half Pay apply only to Officers of the Line reduced upon the formation of a Peace Establishment; or who may have been placed on Half Pay in the course of the War, on account of Wounds, or of Infirmitis contracted upon Service, or in consequence of holding a Staff Appointment, commencing from the 25th June, 1814, with respect to Officers reduced since that date.

Both Rates of Half Pay are payable Quarterly, without Deduction, at the Pay Office. Whitehall.

CIRCULAR, No. 360.

COPY.

WAR-OFFICE, 11th June, 1817.

SIR,

I HAVE the honor to acquaint you that the Office of the Agent-General for Militia and Local Militia, Volunteers, &c. will cease on the 24th instant, and the Issues for the various Services at present paid through that Department, will, from and after the above-mentioned date, be made by the Paymaster General of His Majesty's Forces, under my Authorities. I therefore enclose a Memorandum for your future guidance, to which I beg to call your most particular attention; you will perceive that the Instructions therein contained are very nearly similar to those under which you have hitherto transacted business with the Agent-General; and by a strict observance of the rules, directing the transmission of certain Documents to this Office, the same regularity may be ensured which has hitherto prevailed.

I have, &c.

(Signed)

PALMERSTON.

Addressed to Commandants of the
Corps of Yeomanry Cavalry and Militia.

(Enclosure to Circular No. 360.)

MEMORANDUM.

WAR-OFFICE,

Department of Accounts, 11th June, 1817.

Points to be observed in Drawing and Negotiating Bills upon the Paymaster General, and in remitting Sums to his Account at the Bank of England.

DRAWING BILLS.

FROM and after the 24th instant, the Issues required for the service of the Militia when disembodied, and of the Volunteers, will be made through the Paymaster General, under the authority of the Secretary at War, by the Paymaster General's accepting the Bills of the Parties authorized to draw upon him, which Bills are made payable at the Bank of England.

The Paymaster General is vested with no discretion as to the amount of the issues; the Sums required must therefore always be inserted in the proper forms of Account, or Estimate, as the case may be, and sent in for the examination and approval of the Secretary at War.

When the Estimate or Account is approved, a Bill for the Sum which the Paymaster General may be authorized to issue, will be transmitted from the Department of Accounts to the proper Officer for negotiation.

No Officer is allowed to draw any Bill upon the Paymaster General, but upon the very Form which he shall have received from the Department of Accounts, with the exact sum to be drawn by him already inserted therein.

No Bill must under any circumstances be signed by any other person than the Officer to whom the Superintendent has expressly communicated authority to draw.

The printed Letter of Advice annexed to the Authority must be carefully filled up, signed by the Drawer of the Bill, and transmitted to the Department of Accounts, by the post of the day on which it is negotiated.

The Letter of Advice must exactly agree with the Bill, in the particulars of its Date, the Amount, and the Names of the Parties to whom it is made payable.

In filling up the Bill the Name of the Party or Firm, to whom it is payable, must be accurately spelt; the Amount in the body of the Bill must be distinctly stated in words at length, and must exactly agree with the Amount stated in Figures in the Margin; these points deserve particular attention, as inaccuracies, especially where the Name or Firm in the body of the Bill differs from the Indorsement, would prevent the payment by the Bank of England, although the Bill had been duly accepted by the Paymaster General.

When Bills are returned by the Bank of England unpaid, on account of irregularity, after having received the Paymaster General's acceptance, they must on no account be destroyed, but the irregularity must be corrected, and the Bill again presented for payment, as the Paymaster General having once given his acceptance on behalf of the Public cannot give it a second time for the same sum.

In the event of a Bill being accidentally defaced prior to acceptance, no other can be substituted by the Accountant, but application must be made to the Department of Accounts for a new Form, and the Bill so defaced must be returned to that Department.

As by a proper attention to the Regulations, and the foregoing Memoranda, no Officer need ever be exposed to the inconvenience of having his Bills returned, any expense which may arise in cases where it does occur must be borne by the drawers.

REMITTING BALANCES.

As soon as the Annual or periodical Accounts are made out, if the sums issued upon Estimate are found to exceed the actual expenditure, the balance due to the public must be remitted forthwith to the Bank of England, to be placed to the General Account of the Paymaster General.

It is essentially necessary that the Paymaster General should be advised of every remittance.

The advice must be transmitted by the post of the day on which the remittance is made, and must state whether it is made in Cash, Bank Notes, or Bills; and if by the latter, by and on whom they are drawn, and when they are payable; the particular Account to which it is to be placed must also be distinctly stated.

Where a sum is remitted applicable to different years, it is necessary to specify the exact

sum to be carried to the account of each year respectively, and the same rule must be observed when balances due from different persons are remitted in one sum.

All remittances by Bills must be made payable at three days sight.

Particular attention is recommended to the above points, in order to obviate the inconvenience which may arise to Accomptants from their remittances not being regularly placed to their credit.

N. B. As no Accomptant can obtain his final acquittance upon the Account of any Year until the same has been closed and reported, the obvious interests of the Parties will, it is hoped, ensure immediate attention to the above points.

All Correspondence respecting the Accounts should be addressed to *L. Sullivan, Esq.* in the manner prescribed for Correspondence with the Department of Accounts, and the Letters are to be sent under Cover to the Secretary at War, addressed thus:

To

SIR,

WITH reference to my Letter of date the 13th ultimo, I have now the honour to refer you to the intimation given in the Gazette of this day, (and of which a copy is annexed) respecting the Payment of the Prize-Money granted to the Troops which served under the Command of Field Marshal His Grace The Duke of Wellington, in the Battle of Waterloo, and at the Capture of Paris; and to inform you, that if you will cause the Order prescribed by Act of Parliament, (of which Orders Copies were sent to you in my aforesaid Letter, and of which Copies are also now annexed) to be executed by the Non-Commissioned Officers and Privates of the Regiment under your Command, in favour of the Regimental Paymaster, and to be transmitted to me, regularly indorsed by him, accompanied with a List or Schedule of them made out and numbered in the same Order that the Men's Names stand in the Prize List rendered to me, I will put them in the possession of the full amount of their respective Shares, without any expense of Agency or Postage, &c. by remitting the amount to the Paymaster, or authorizing him to draw for it, as may at the time appear best.

ARMY PRIZE MONEY.

GRANT to the Army which served under the Command of Field Marshal His Grace The Duke of Wellington, in the Battle of Waterloo, and at the Capture of Paris.

NOTICE IS HEREBY GIVEN, pursuant to the Act of the 34th Geo. III. Cap. 86 that the Distribution of the proportion of the Grant made to the aforesaid Army, which appertains to the British Troops, will commence and take place according to the Directions and Regulations contained in the said Grant, at No. 18, Suffolk Street, Charing Cross, and Whitehall Place, as follows:—

The General Staff and different Departments of the Army, together with the Royal Artillery and Engineers, between the 25th June and 24th July, 1817.

The Corps of Cavalry of every Description, and those of Infantry, from the 1st Regiment of Foot Guards, to the 14th Regiment of Foot, between 25th July and the 24th August, 1817.

The remaining Corps of Infantry, to the 8th Line Battalion King's German Legion, between the 25th August and 24th September, 1817.

After which date no further Payment can be made by me, as all Shares and Balances then remaining Uncollected, must be paid over to Chelsea Hospital, pursuant to Act of Parliament; but they can afterwards be received from the Deputy Treasurer of that Establishment, as claimed within the period of Six Years.

In order to save the Army the expense of Powers of Attorney and Agency, it is thought right to apprise such of the parties concerned; as may not be acquainted therewith, that every Officer, Non-Commissioned Officer, and Soldier of the British Army, entitled to participate in this Prize Money, may, if in London, receive the Amount due to them, in Person, from the Distributing Agent, on satisfying him that they are the Persons entitled to it; or, if at a distance by drawing on him for the Amount, through any Banker, or other respectable Person, according to the following Forms and Instructions, which must be rigidly attended to.

A Communication will this day be made to the Officers Commanding each Corps entitled to participate, instructing him how to obtain the Prize Money due to the Non-Commissioned Officers and Privates under his Command, without incurring the expense of Agency; and, for the information and guidance of such Men as have been discharged, and to prevent their being misled by the Public Notices which have been circulated—"That no Person but a Licensed Agent can draw their Prize-Money."

Notice is hereby given, That No Person is as yet Licensed to receive Army Prize-Money; and

that the Security given by Navy Agents, for their License, cannot be made available, for any Army Prize-Money received by them.

WAR-OFFICE,

Department of Accompts, 19th July, 1817.

SIR,

AS the Office of the Agent General has been abolished, I am directed by the Secretary at War to acquaint you, that when, in future, any Non-commissioned Officers or Drummers shall be discharged and recommended to Chelsea, you will make the usual advance to them to bear their expenses to London, and send with them a Report on the Form inclosed, addressed to the Paymaster of the London Recruiting District, J. Cockburn, Esq. 17, Duke Street, Westminster, who has been instructed to take charge of such men and subsidise them while necessarily waiting to pass their Examinations: he is to be reimbursed by you, and the charges are to be made in your annual Accompts; a Statement of Particulars properly certified by the Commandant and Adjutant, the Men's receipts, and the acknowledgment of the Paymaster of the London District that he has been repaid the Amount advanced by him, being annexed.

In the Statement of Particulars are to be explained the dates of Discharge, and of leaving Head Quarters for London; the Ports from which Men embark when proceeding by Sea, which, in all cases, should be the nearest Port to Head Quarters; the dates of arrival in London, and of passing the Board, with the Rates of Pension granted; and in cases where Men may be rejected, the cause is to be minutely explained; as, from the heavy expense that has been incurred from the improper recommendation of Men who are not entitled to the Pension, it is

not intended, in future, to admit any charge that shall not be perfectly satisfactory. You will, therefore, previously to making any advances, or signing Reports, carefully inspect the Discharges of the Men, in conjunction with the Commanding Officer and Adjutant, and satisfy yourself that they have a fair claim to an Examination before the Commissioners of Chelsea Hospital under the provisions of the existing Regulations; and you will accordingly be held responsible for all Charges made in your Accounts for this Service.

SIR,

CONSIDERABLE inconvenience being experienced from the circumstance of Men ordered Home from their Corps in France, being reported immediately to District or Detachment Paymasters, instead of being reported to Mr. Macdonald, the Paymaster of Detachments at Dover, into whose payment the Men necessarily come in the first instance; I am directed by the Secretary at War to request that, in all future cases of Men being sent home by way of Dover, they may invariably be reported to the Paymaster at that Station.
